

Thirsty Dragon-Gorynych is a limited release mead (honey wine) made with hibiscus, lemongrass, and elderberries (ABV 11%). It was inspired by Zmeya Gorynych, a three-headed dragon from Ukrainian folklore (thus the three-flavors and the three-head variation of our logo). Proceeds from the sale of Thirsty Dragon-Gorynych will go to support Ukraine and Ukrainians.

So, raise a glass, and toast Ukraine and the brave Ukrainians fighting for their freedom. ('Budmo' is a simple, traditional Ukrainian toast).
